Experiment 13: Infographic: Mobile Communication vs Mobile Computing

Aim: To create an infographic in Figma comparing mobile communication and mobile computing.

Procedure:

1. Open Figma and create a new design file.
2. Create a suitable frame and add the title.
3. Divide the frame into two sections: Mobile Communication and Mobile Computing.
4. Add brief definitions and key features for each.
5. Include suitable icons and real-life examples.
6. Use different colours to distinguish the two concepts.
7. Arrange the content neatly and add a comparison summary.
8. Review and save or export the infographic.

Output:

Result: The infographic comparing mobile communication and mobile computing was successfully designed using Figma.
